Your ROVR Guest List

ROVR introduces you to cool people from around the world based on common interests, personality, and friends. It's like a "people you should meet" page. Once you add each other on ROVR, you can meet up in any VR app or game you share.

+ 1000's more games and worlds

Events, Groups, and More

Our mission is to make VR more human and more connected. We're building features that help you build community across all VR apps and games. Join ROVR and help shape the future of VR!
